

Sprint 3 Report
Fam
Group 19
Sprint Completion: June 2, 2017

- Actions to stop doing:
 - Stop missing meetings
 - Stop pushing back ideas
 - Refusing to address tech debt
- Actions to start doing:
 - Proactive in the implementation of technologies for the project.
 - Be continually more intentional about communicating progress, known bugs, and issues.
 - Document your progress.
 - Group programming to address any issues. Set up meetings devoted to coding.
- Actions to keep doing:
 - 3 Scrum meetings every week. Helps every team member stay on task as well as updates everyone on where each team member is at in the Sprint. This also updates us on what we need to do.
 - Keep learning new technologies so that we can continue to build up the application.
 - Documenting and trying to fix any known errors or bugs
 - Keep scrum meetings set on time so that people know when to come.
